An act to amend Section 51225.3 of the Education Code, relating to high school curriculum.

LEGISLATIVE COUNSEL'S DIGEST

SB 520, as amended, Pavley. High school curriculum: volunteer service.

Existing law sets forth the courses a pupil is required to complete while in grades 9 to 12, inclusive, in order to graduate from high school and authorizes the governing board of a school district to specify by rule other required coursework.

This bill would authorize the governing board of a school district to offer one credit towards the required number of credits required for graduation from high school for each ~~10~~ 12 hours of volunteer service provided by a pupil, up to a maximum of 5 credits per pupil per semester, *and for a maximum of 2 semesters. The bill would require a school district that elects to offer credit for volunteer service to establish and maintain a list of suitable volunteer organizations from which a pupil may choose to complete the volunteer hours.*

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
